BERNARDO SANTA FE
HOMEOWNERS' ASSOCIATION
Escondido, CA 92029

Dear Member:

On September 28, 2017 a small segment of Avenida Magoria will be closed during the business day for asphalt repairs. The area (pictured on the attached map) will be closed only for the day and will be reopened at the end of the day. In addition, some cracks on Via Ribera will be filled on the same day and there may be periodic closures to allow for that work.

It should be very easy to navigate around this area via other routes through the community but please plan accordingly. Though this area is not designated parking for any home, it is important to note that any vehicles parked in the indicated area will be towed on the morning of the asphalt project to allow for work to commence. (If you have been mistakenly parking in the area and need help locating the proper parking area for your home, please reach out to management.)

If you are concerned that the periodic closures on Via Ribera will restrict leaving your home as needed on this day, it is recommended that you park the vehicle elsewhere in the community and resume parking as normal on the following day.

If you have any questions or need any further information, please feel free to email management at pm@sdamg.net.

Thank you for your anticipated cooperation,

Sincerely yours,

AS DIRECTED BY THE BOARD

Arien Tujague
Community Manager
